QGIS Application - Feature request #16416
Processing: add a clustering alg for vectors

2017-04-06 11:46 AM - Paolo Cavallini

Status:	Closed		
Priority:	Normal		
Assignee:

Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented
Easy fix?:	No	**Copied to github as #:**	24325

Description

Currently vector clustering methods are missing from Processing. I suggest to add a way of grouping objects based on distance. Ideally the user should be able to select the type of clustering, by selecting a number of groups or a number (max/min) in each group.
