

# QGIS Application - Bug report #16455

## Refreshing provider alg list does not refresh toolbox

2017-04-20 05:48 AM - Victor Olaya

<b>Status:</b> Closed	
<b>Priority:</b> High	
<b>Assignee:</b> Nyall Dawson	
<b>Category:</b> Processing/Core	
<b>Affected QGIS version:</b> master	<b>Regression?:</b> Yes
<b>Operating System:</b>	<b>Easy fix?:</b> No
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b>
<b>Crashes QGIS or corrupts data:</b>	<b>Copied to github as #:</b> 24364
<b>Description</b>	
<p>When models or scripts are added/deleted/edited, the provider is refreshed, but the toolbox doesnt change at all</p> <p>After a bit of manual testing, looks like callig something like this</p> <pre>QgsApplication.processingRegistry().providerById('model').refreshAlgorithms()</pre> <p>does not trigger the updateProvider() method of the toolbox. It should be connected to the algorithmsLoaded() signal, but maybe it's a different instance of the provider...</p>
