Move 'Run as batch' button to bottom of algorithm dialog

Inserting it into the tab widget doesn't work well cross platform/between hidpi/lowdpi displays. So instead add it as a normal button in the button box.

Also fix capitalization of button text

- File *run_batch_withFusion.PNG* added

It looks like using another Application style (settings --> Options --> General), namely Fusion (instead of WindowsXp or WindowsVista) gives a better result but still all the button frame is not shown (trimmed on top).
