QGIS Application - Bug report #16767
Processing: "Run as batch process..." button not shown entirely

2017-06-29 04:53 PM - Harrissou Santanna

Status:	Closed			
Priority:	Normal			
Assignee:	Victor Olaya			
Category:	Processing/GUI			
Affected QGIS version:master		**Regression?:**	No	
Operating System:	Windows	**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**		
Crashes QGIS or corrupts data:		**Copied to github as #:**	24666	

Description

Compared to QGIS 2.18, it looks like the header of the tabs in Processing dialog is thinner, hence the "Run as batch process..." button label is not correctly rendered.

Revision a95cbe9d - 2017-07-26 01:45 AM - Nyall Dawson

Move 'Run as batch' button to bottom of algorithm dialog

Inserting it into the tab widget doesn't work well cross

platform/between hidpi/lowdpi displays. So instead add

it as a normal button in the button box.

Also fix capitalization of button text

Fixes #16767

History

#1 - 2017-06-29 05:09 PM - Harrissou Santanna

- File run_batch_withFusion.PNG added

It looks like using another Application style (settings --> Options --> General), namely Fusion (instead of WindowsXp or WindowsVista) gives a better result but still all the button frame is not shown (trimmed on top).

#2 - 2017-07-26 01:48 AM - Nyall Dawson

- % Done changed from 0 to 100

- Status changed from Open to Closed

Applied in changeset commit:qgis|a95cbe9d2f8b39ab4edb24918d95a767d71cf191.
