QGIS Application - Feature request #17321
Sorting of layers in Processing "multiple input" widget

2017-10-23 10:25 AM - Nigel Malcolm

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	Processing/Core		
Pull Request or Patch supplied:	No	**Resolution:**	duplicate
Easy fix?:	No	**Copied to github as #:**	25219

Description

Using 'Merge vector layers' under 'Vector' > 'Data Management Tools'. When selecting 'Layers to merge' the layers are represented in what appears to be a random order. I believe the layers should be displayed in alphanumeric order.
