

QGIS Application - Feature request #17454

Simplify the steps to add history to metadata

2017-11-14 11:36 AM - Harrissou Santanna

Status: Open	
Priority: Normal	
Assignee:	
Category: Metadata	
Pull Request or Patch Supplied:	Resolution:
Easy fix?: No	Copied to github as #: 25351
Description	
<p>Open a vector layer properties dialog --> Metadata, History</p> <p>Clicking the + button opens a not that large "line edit box" to enter the history</p> <p>I think that it should directly add a link and enable it to edit (in blue background?). People could hence add a longer history text. Would be more comfortable and save some clicks and dialog resizing.</p>
