Category:	Data Provider	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 11809
Description		
WMS_Tile_Cachingr1 has been defined within OSGeo, with a WMS_Tiling_Client_Recommendationr2. It would be good to add WMS Tiling Cache support to QGIS, in order to allow the loading of this kind of layers (WMS-Cache). A similar effort has been undertaken for gvSIG3.
