|--|
| #1 - 2017-11-21 01:53 PM - Giovanni Manghi |
| - Operating System deleted (windows 10 64b) |
| - Priority changed from Normal to High |
| - Subject changed from QGIS master 48c320beb0: Action menu does not work well to QGIS master: action names do not show |
| #2 - 2018-01-15 05:43 AM - Nyal Dawson |
| - Resolution set to invalid |
| - Status changed from Open to Rejected |

I've checked and this is behaving as designed.

There's no "Short Name" filled in for these actions, which is used for the menu. The dialog for creating an action explicitly states for 'Short Name': "Leave empty to use only icon".

Fix is to enter a "Short Name" for these actions.
