

QGIS Application - Bug report #17578

Wrong tooltip for GeoPackage's Create spatial index

2017-11-28 10:37 PM - Borys Jurgiel

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	GUI	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed/implemented
Crashes QGIS or corrupts data:		Copied to github as #: 25475
Description		
<p>The tooltip for the "Create spatial index" combobox in the New GeoPackage Layer windows says "Add an integer id field as the primary key for the new layer".</p> <p>I guess it's just a mistake? Or it tries to say the creation the PKEY is forced? But it seems the PKEY column is always created...</p>
