## QGIS Application - Feature request #18195 Zenodo: make the QGIS code on GitHub citable

2018-02-23 03:41 PM - D M

Status: Open
Priority: Normal

Assignee:

Category: Unknown
Pull Request or Patch shapplied: Resolution:

Easy fix?: No Copied to github as #: 26086

Description

At least for researchers/scientists, I think it be good if we could link QGIS to Zenodo (https://zenodo.org/).

Zenodo has integration with GitHub to make code hosted in GitHub citable (https://en.wikipedia.org/wiki/Zenodo).

It would allow people to easily cite versions of QGIS with a Digital Object Identifier.
