

QGIS Application - Feature request #18228

Autosender for crash reports

2018-02-26 02:06 PM - Andrew Shanin

Status: Open	
Priority: Normal	
Assignee:	
Category: Unknown	
Pull Request or Patch Supplied:	Resolution:
Easy fix?: Yes	Copied to github as #: 26119
Description	
I saw some errors in qgis that live long time. Why qgis can't send info about error/crashes automaticly?
