

QGIS Redmine (QGIS bug tracker) - Feature request #18407  
"forgot password"

2018-03-10 06:00 PM - al ray

Status:	Open	
Priority:	Normal	
Assignee:		
Category:	Any	
Pull Request or Patch supplied:	Supplied:	
Description		
Can we get a way to obtain or reset our password? Having to write it down somewhere and no way to log in once you forget it is an hindrance.

If QGis stays with this platform, it would be really grateful. Can't retrieve my password from a previous account either.
