

QGIS Application - Bug report #18463

Impossible to change value when a range double spinbox is used and allow null value

2018-03-16 03:07 PM - Harrissou Santanna

Status: Closed	
Priority: High	
Assignee:	
Category: Forms	
Affected QGIS version: 3.3(master)	Regression?: No
Operating System:	Easy fix?: No
Pull Request or Patch supplied: No	Resolution: no timely feedback
Crashes QGIS or corrupts data: No	Copied to github as #: 26351
Description	
<p>Create a point temporary layer and in its layer properties dialog add a new integer field OK Reopen the dialog in Attribute Forms tab The created field is set as a "Range" editable allowing null value. In the map canvas add a feature and try to set a value in the field: here, the Up and down arrow do not change anything (NULL is displayed in the field) and if I manually type in a numeric value, it's cleared and replaced by NULL as soon as I leave the field. This happens in the form and the attribute table.</p> <p>I just got it worked when I unchecked the "Allow NULL values" option.</p> <p>Btw checking the "Allow NULL values" when there are already data set the values to NULL in the field.</p>	

History

#1 - 2018-03-16 08:16 PM - Nyal Dawson

- Status changed from Open to Closed
- Resolution set to fixed/implemented

Already fixed in master/3.0.1

#2 - 2018-03-16 11:04 PM - Harrissou Santanna

That's weird because i used the latest osgeo4w nightly build (unless the fix is really recent)

#3 - 2018-06-19 07:04 PM - Harrissou Santanna

- Resolution deleted (fixed/implemented)
- Status changed from Closed to Reopened

Reopening because as mentioned the issue is still there (commit:4fb9091e6e).

#4 - 2018-09-08 09:17 AM - Harrissou Santanna

- Affected QGIS version changed from 3.1(master) to 3.3(master)

Still present and really annoying (particularly for users that don't check the attribute forms tab)

#5 - 2018-11-08 01:31 PM - Giovanni Manghi

- *Status changed from Reopened to Feedback*

Please try on QGIS 3.4.1, if the issue is still valid change the affected version, thanks.

#6 - 2019-02-23 08:36 PM - Jürgen Fischer

- *Status changed from Feedback to Closed*

- *Resolution set to no timely feedback*
