

QGIS Application - Feature request #18495

[Layout] Show panel or toolbar name when hovering over

2018-03-20 07:16 PM - Harrissou Santanna

Status: Closed	
Priority: Normal

Pull Request or Patch Applied:	Resolution:
Easy fix?: No	Copied to github as #: 26383
Description	
In the main dialog, when hovering over a toolbar or a panel, its name is displayed in a tooltip; it could be nice to have this feature in layout and report dialog too. Would ease show/hide toolbars operation.
