

QGIS Application - Feature request #18523

Fixed Buffer missing

2018-03-23 11:00 AM - Ludovico Frate

Status: Closed	
Priority: Normal	
Assignee:	
Category: Vectors	
Pull Request or Patch supplied:	Resolution: invalid
Easy fix?: No	Copied to github as #: 26411
Description	
<p>The Fixed Buffer in the Geoprocessing menu is missing in QGIS 3.0. It is only available in the Vector Geometry menu of the processing toolbox.</p> <p>I don't know which is the reason under this choice, but I think that it is a classical geoprocessing function and it will be more useful let the Fixed Buffer in the Geoprocessing menu.</p> <p>Regards</p>
