QGIS Application - Feature request #19058
Add a "compress files" algorithm

2018-05-29 12:11 PM - Magnus Nilsson

Status:	Open		
Priority:	Normal		
Assignee:			
Category:	Processing/QGIS		
Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	26888

Description

I would like to see support for compressing (zip) the model output. It should also be possible to add external files, such as a PDF document, to the archive.

History

#1 - 2018-05-31 10:02 AM - Magnus Nilsson

It should also be possible to organize the external files in folders in the archive. That way, I can organize the files in a suitable way.

#2 - 2018-06-04 04:04 AM - Nyall Dawson

- Category changed from Processing/Modeller to Processing/QGIS

- Subject changed from Compress output from a processing model to Add a "compress files" algorithm
