Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	27112

Description

This is a UX suggestion from an FME user:

"I use the modeler quite a lot and I must admit I find myself typing in the
model canvas expecting to see a list of processing tools come up like they
do in FME sometimes. GUI improvements and customisation for the modeler
would be lovely."
