

QGIS Application - Feature request #1954

Save SpatiaLite connections in QGIS projects

2009-09-28 09:41 AM - Alexander Bruy

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	Project Loading/Saving	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 12014
Description		
<p>QGIS works great on opening projects with relative paths to datasources. But this does not work for [[SpatiaLite]] layers - connections don't stored in project file.</p> <p>So when QGIS project with [[SpatiaLite]] layer is moved from one place to another - [[SpatiaLite]] connections are lost.</p> <p>It would be nice to save [[SpatiaLite]] connection settings in QGIS projects</p>		

History

#1 - 2009-09-28 02:39 PM - Jürgen Fischer

- Resolution set to fixed
- Status changed from Open to Closed

added in commit:ed34b139 (SVN r11730)
