

QGIS Application - Feature request #19647

Save/load style to PostgreSQL database from Layer styling panel and from layer right-click menu

2018-08-20 11:03 AM - Tomasz Rychlicki

Status:	Open	Resolution: Copied to github as #: 27474
Priority:	Normal	
Assignee:		
Category:	Unknown	
Pull Request or Patch supplied:	Not supplied	
Easy fix?:	No	
Description		
<p>For now layer in layer styling panel user can only load style from qml file. It will be useful if he can load style also from PostgreSQL database.</p> <p>The same is applicable to the style section under the layer righ-click menu in TOC.</p>
