- Status changed from Open to Feedback

Hi,

is a regression because on QGIS LTR (2.18) does not happen?

Please attach/link the (smallest) dataset that causes this issue on your installation, thanks!

#2 - 2018-11-08 01:31 PM - Giovanni Manghi

Please try on QGIS 3.4.1, if the issue is still valid change the affected version, thanks.

#3 - 2018-12-27 04:52 PM - Nyal Dawson

- Resolution set to no timely feedback
- Status changed from Feedback to Closed
