

QGIS Application - Bug report #19881

Impossible to choose several fields at the same time to drag and drop it (design forms by drag-and-drop)

2018-09-18 03:03 PM - Alain FERRATON

Status: Open	
Priority: High	
Assignee:	
Category: Forms	
Affected QGIS version: 3.3(master)	Regression?: Yes
Operating System:	Easy fix?: No
Pull Request or Patch supplied:	Resolution:
Crashes QGIS or corrupts data:	Copied to github as #: 27705

Description

In versions prior to 3.0, it was possible to choose several fields at the same time to drag and drop them into the designer. It is no longer possible in the new design

(It also lacks the field assignment button and the up and down buttons).

History
