

## QGIS Application - Feature request #19903

### Relation reference widget : data is limited to the first 100 items, make it configurable in the widget options

2018-09-20 03:55 PM - jd lom

<b>Status:</b> Open	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Category:</b> Edit widget	
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b>
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 27727
<b>Description</b>	
<p>The combobox of relation reference widget displays the first 100 items. However the autocompletion is working great.</p> <p>The attached video shows the behavior on version 3.2.2 and 2.18.11.</p>	

#### History

##### #1 - 2018-09-21 02:37 AM - Stephen Knox

I think this is a feature not a bug - see the description of the pull request:

<https://github.com/qgis/QGIS/pull/5440>

##### #2 - 2018-09-21 09:24 AM - jd lom

Indeed.

So it's not a bug but some users will be confused as reported here :

<https://github.com/qgis/QGIS/pull/5440#commitcomment-29908387>

##### #3 - 2018-09-21 11:43 AM - Alessandro Pasotti

- Subject changed from Relation reference widget : data is limited to the first 100 items to Relation reference widget : data is limited to the first 100 items, make it configurable in the widget options

- Tracker changed from Bug report to Feature request
