

QGIS Application - Bug report #19933

python error in DB Manager while trying to preview a layer and empty preview

2018-09-24 03:55 PM - Giovanni Manghi

Status: Closed	
Priority: Normal	
Assignee:	
Category: DB Manager	
Affected QGIS version: 3.7(master)	Regression?: Yes
Operating System:	Easy fix?: No
Pull Request or Patch supplied:	Resolution: fixed/implemented
Crashes QGIS or corrupts data:	Copied to github as #: 27756
Description	
<p>I'm not sure what is triggering this, but at times a preview of a layer won't work in db manager, and if the focus is moved to the "info" tab the following error will pop up:</p>	
<p>Traceback (most recent call last):</p>	
<p>File "/usr/share/qgis/python/plugins/db_manager/db_manager.py", line 117, in tabChanged self.refreshTabs()</p>	
<p>File "/usr/share/qgis/python/plugins/db_manager/db_manager.py", line 140, in refreshTabs self.preview.loadPreview(item)</p>	
<p>File "/usr/share/qgis/python/plugins/db_manager/layer_preview.py", line 62, in loadPreview self._clear()</p>	
<p>File "/usr/share/qgis/python/plugins/db_manager/layer_preview.py", line 89, in _clear self._loadTablePreview(None)</p>	
<p>File "/usr/share/qgis/python/plugins/db_manager/layer_preview.py", line 121, in _loadTablePreview if self.currentLayer:</p>	
<p>RuntimeError: wrapped C/C++ object of type QgsVectorLayer has been deleted</p>

fix #19933

History

#1 - 2018-09-25 08:31 AM - Alessandro Pasotti

- Status changed from Open to Feedback

Works for me on current linux/master.

I understand that it is kind of random but you should try to find the way to reproduce it or I don't see a chance for finding a solution.

| I understand that it is kind of random but you should try to find the way to reproduce it or I don't see a chance for finding a solution.

I understand that, until now a clear way to replicate always eluded me.

#3 - 2019-02-23 08:37 PM - Jürgen Fischer

- Status changed from Feedback to Closed
- Resolution set to no timely feedback

Bulk closing 82 tickets in feedback state for more than 90 days affecting an old version. Feel free to reopen if it still applies to a current version and you have more information that clarify the issue.

#4 - 2019-02-23 10:01 PM - Giovanni Manghi

- Resolution deleted (no timely feedback)
- Affected QGIS version changed from 3.3(master) to 3.7(master)
- Status changed from Closed to Open

Just tested with master, the error changed but is still reproducible by opening a schema, selecting layers and switching tabs (preview, table, info):

AttributeError: 'NoneType' object has no attribute 'id'

Traceback (most recent call last):

```
File "/usr/local/share/qgis/python/plugins/db_manager/db_manager.py", line 119, in tabChanged
    self.refreshTabs()
```

```
File "/usr/local/share/qgis/python/plugins/db_manager/db_manager.py", line 142, in refreshTabs
    self.preview.loadPreview(item)
```

```
File "/usr/local/share/qgis/python/plugins/db_manager/layer_preview.py", line 62, in loadPreview
    self._clear()
```

```
File "/usr/local/share/qgis/python/plugins/db_manager/layer_preview.py", line 89, in _clear
    self._loadTablePreview(None)
```

```
File "/usr/local/share/qgis/python/plugins/db_manager/layer_preview.py", line 132, in _loadTablePreview
    self.currentLayerId = vl.id()
```

AttributeError: 'NoneType' object has no attribute 'id'

#5 - 2019-02-23 10:05 PM - Giovanni Manghi

- Subject changed from python error in DB Manager while trying to preview a layer to python error in DB Manager while trying to preview a layer and empty preview
- Regression? changed from No to Yes
- Priority changed from Normal to High

actually I just noticed that on master (linux here) the preview is **blank** and that I triggered the above error by selecting another connection after having opened the preview panel for a layer.

#6 - 2019-02-23 10:09 PM - Jürgen Fischer

- Status changed from Open to Closed
- % Done changed from 0 to 100

Applied in changeset commit:qgis|2b21a979944d3bccb332e3eac0bf6d7059b3573e.

#7 - 2019-02-23 10:10 PM - Jürgen Fischer

- Priority changed from High to Normal

BTW are you getting instant notifications now?

#8 - 2019-02-23 10:49 PM - Giovanni Manghi

| BTW are you getting instant notifications now?

it seems so, thanks!

#9 - 2019-02-23 10:49 PM - Giovanni Manghi

- Resolution set to fixed/implemented
