QGIS Application - Feature request #19977
setting in QGIS to have plugins automatically upgrade in background

2018-09-28 03:44 PM - Rob Willson

Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	27799

Description

many users I set QGIS up for have to be continually reminded to check for plugin upgrades. Would be better for non-power users if one could set the plugins to just upgrade in background. And one could toggle it off if they didn't want that behavior
