

QGIS Application - Bug report #2002
GRASS commands with single " instead of ""

2009-10-12 09:38 AM - Paolo Cavallini

Status:	Closed	
Priority:	Low	
Assignee:	Lorenzo Masini	
Category:	GRASS	
Affected QGIS version:		Regression?: No
Operating System: Windows		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed
Crashes QGIS or corrupts data:		Copied to github as #: 12062
Description		
In the GRASS output, GRASS commands (e.g. v.in.ogr -o 'dsn=/home/paolo/Desktop/Dati_corso_QGIS/fiumi-princ.shp' output=fiumi) are enclosed by single _, and this does not work if copied and pasted on a windows "shell". If these are replaced by "", the command works.
