

QGIS Application - Feature request #20187

[Digitizing] Allow the "Offset curves" and "Simplify features" tool to work on selected features and not only the clicked geometry

2018-10-22 05:28 PM - Harrissou Santanna

| Easy fix?: No | Copied to github as #: 28008 |
| Description | |
| <p>This will be more consistent with the gneral behavior of digitizing tools: process on selection. and I guess this is more doable now given that they have a corresponding in-place edit algorithm that works on selection.</p> | |
