createFeature on move and copy

using of the createFeature function with tool move and copy and there the logic of unique not null fields (like primary keys) is used.

This would fix #20347

why regression? did it worked as expected in a previous version?

#2 - 2018-11-05 10:20 AM - Jan Lippmann

sorry i think its no regression compared with 3.2.3. i have tested no other versions.

it did **not** work with 3.2.3 too.
