Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 12101
Description		
<p>The http authentication work well, but the password is shown clearly on the mouseover at the requested ows layer. This will not a good idea cause someone will stand by your side and will see your personal password on the screen ;-).</p> <p>It would be better to show only stars.</p>
