QGIS Application - Feature request #2041
Don't show clear form of authentication password as tooltip on OWS layer

2009-10-29 07:51 AM - arminr -

Status:	Closed		
Priority:	Low		
Assignee:	Marco Hugentobler		
Category:	Web Services clients/WMS		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	12101

Description

The http authentication work well, but the password is shown clearly on the mouseover at the requested ows layer. This will not a good idea cause someone will stand by your side and will see your personal password on the screen ;-).
It would be better to show only stars.
