QGIS Application - Feature request #2057
fTools OK button should be masked out during operations

2009-11-06 08:09 AM - cfarmer -

Status:	Closed		
Priority:	Low		
Assignee:	cfarmer -		
Category:	Python plugins		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	12117

Description

When clicking Ok on the fTools dialogs, during operation, the Ok button remains active, meaning it can be clicked multiple times... this might cause users to run the same analysis more than once without meaning to...

Revision a270bde0 - 2010-05-14 12:55 AM - cfarmer -

New warning when creating empty multipart layer; Ok button disabled on all functions while running; General bug fixes. Fixes #2260, #2057, and #1986. Another great patch from alexbruy :-)
