<b>Description</b>		
<p>Good afternoon</p> <p>I am doing a project for one of my class and for some reason the "edit line" ( I have the French version so I don't know the actual name) doesn't work. I am in edit mode and when I click the button it starts charging then the project doesn't answer and the only thing I can do is to close it.</p> <p>I don't really know what to do.</p>
