

QGIS Application - Feature request #21009

Support drag and drop in a processing model

2019-01-16 10:20 AM - Magnus Nilsson

Status:	Open	Resolution: Copied to github as #: 28828
Priority:	Normal	
Assignee:		
Category:	Processing/Modeller	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
I would like to see support for drag and drop in Processing models. When I drop a file (CSV, GeoPackage etc.) from my Windows desktop on my model, QGIS should be able to accept it as a data source.
