- Status changed from Open to Feedback

Does gdalinfo report the correct nodata values?

#2 - 2019-01-18 01:59 PM - Ivan Ivanov

Yes, gdalinfo shows the proper data.

#3 - 2019-01-18 03:08 PM - Giovanni Manghi

- Subject changed from *TIFF files do show N/A nodata value in properties->information->bands->no-data* to *nodata value do not show in properties->information->bands->no-data*

Does it show in the equivalent panel in 2.18?

#4 - 2019-01-25 12:15 PM - Alexander Bruy

Works fine in master. Can you share test dataset?

- Status changed from Feedback to Closed
- Resolution set to no timely feedback

#6 - 2019-02-09 03:01 PM - Ivan Ivanov

Just saw the request for test dataset, sorry for the late response. After the minor release last month, it works fine for me, as well on the master build.
