QGIS Application - Bug report #21168
DB manager's autocomplete doesn't quote layer names

2019-02-05 05:31 AM - Tobias Wendorff

Status:	Open			
Priority:	Normal			
Assignee:				
Category:	DB Manager			
Affected QGIS version:	3.5(master)	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**		
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	28986	

Description

DB manager shows an autocomplete box for existing layers. When you press <tab> or double click on an entry, the value doesn't get quoted. For layer *New scratch layer*, this results in *New* instead of the correct *'New scratch layer'*.

Please have a look at the attached image.

History

#1 - 2019-02-05 05:31 AM - Tobias Wendorff

- Subject changed from DB manager's autocomplete doesn't quote to DB manager's autocomplete doesn't quote layer names

#2 - 2019-02-07 11:44 AM - Giovanni Manghi

- Operating System deleted (Microsoft Windows 7, 64-bit)
