

QGIS Application - Bug report #21217

Attribute Table - [Move Selection to top] doesn't apply on current selection while toggling on

2019-02-09 10:31 AM - Haitham Shatti

Status: Closed	
Priority: Normal	
Assignee:	
Category: Attribute table	
Affected QGIS version: 3.4.4	Regression?: No
Operating System:	Easy fix?: Yes
Pull Request or Patch supplied: No	Resolution: duplicate
Crashes QGIS or corrupts data: No	Copied to github as #: 29035
Description	
<p>When [Move selection to top] toggle is [off] and i have some selected rows, Toggling it on won't apply on the current selection, to work around it i d have to De-Select and select the rows again while [Move to top] is toggled on, is this a normal behavior?, wouldn't it be better if this applies on the current selection while toggling?</p>
