

QGIS Application - Bug report #21236
Crash running queries in DB Manager

2019-02-11 07:14 PM - Giovanni Manghi

Status:	Closed	
Priority:	High	
Assignee:	Alessandro Pasotti	
Category:	DB Manager	
Affected QGIS version:	3.5(master)	Regression?: Yes
Operating System:	Ubuntu 16.04	Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: fixed/implemented
Crashes QGIS or corrupts data:	Yes	Copied to github as #: 29054
Description		
<p>affected 3.4.4 and master, tested on Windows for now.</p> <p>open db manager and open sql console (tested on small postgis layer and a virtual layer as well (shapefile))</p> <p>write a simple query like</p> <p>select * from mylayer</p> <p>click execute --></p> <p>if you click "execute" a second time shortly after the first time, then QGIS immediately crashes.</p> <p>Replicating the above on master is a little harder (sometime you have to click "execute" more than twice), but still easy.</p>		

History

#1 - 2019-02-11 07:14 PM - Giovanni Manghi

- Subject changed from Crasj running queries in DB Manager to Crash running queries in DB Manager

#2 - 2019-02-12 08:41 AM - Alessandro Pasotti

- Assignee set to Alessandro Pasotti

#3 - 2019-02-12 05:22 PM - Alessandro Pasotti

I cannot reproduce on linux. Any stacktrace?

#4 - 2019-02-12 05:22 PM - Alessandro Pasotti

- Status changed from Open to Feedback

#5 - 2019-02-12 08:34 PM - Giovanni Manghi

- File Recording #2.mp4 added
- Status changed from Feedback to Open
- File Recording #1.mp4 added

Screencast attached (3.4.4 and master)

#6 - 2019-02-13 08:37 AM - Alessandro Pasotti

- File Screenshot_20190213_083651.png added
- File Screenshot_20190213_083618.png added

#7 - 2019-02-13 10:20 AM - Alessandro Pasotti

- Status changed from Open to Feedback

According to information from Nyall, this could actually have been fixed in the last few days, can you please re-test current master?

#8 - 2019-02-13 11:04 AM - Giovanni Manghi

- Status changed from Feedback to Closed
- Resolution set to fixed/implemented

All good now after updating today packages in osgeo4w!
