what version do you have installed? what OS you use?

#4 - 2019-02-14 10:40 AM - Richard Duivenvoorde

- File `gnome-shell-screenshot-3OFJXZ.png` added

I Raoul, please do not reply to the redmine emails, but attach your screenshot here.

But also to try: you can set both the iconsize and Font size in Options/General (see screenshot)

Does that not work?

Please reply on the website :-)
