

QGIS Application - Bug report #21321

Oracle connections are not refreshed on the Browser panel

2019-02-20 12:29 PM - Alexandre Neto

<b>Status:</b>	Open	
<b>Priority:</b>	Normal	
<b>Assignee:</b>		
<b>Category:</b>	Browser	
<b>Affected QGIS version:</b>	3.5(master)	<b>Regression?:</b> No
<b>Operating System:</b>	Windows	<b>Easy fix?:</b> No
<b>Pull Request or Patch supplied:</b>	No	<b>Resolution:</b>
<b>Crashes QGIS or corrupts data:</b>	No	<b>Copied to github as #:</b> 29139
<b>Description</b>		
<p>After adding Oracle connection using the Open Data Source Manager, the Oracle item in the browser panel is not refreshed. Besides, forcing the tree to refresh using the Refresh button, does not work.</p> <p>When QGIS is restarted, the Browser panel is updated correctly. Also, creating the Oracle connection in the Browser Panel works as expected.</p>
