

QGIS Application - Feature request #21438

Apply a pre-defined style to mesh layer through the API

2019-03-01 12:16 PM - Paolo Cavallini

Easy fix?: No	Copied to github as #: 29255
Description	
Currently it does not seem possible to apply a style to a mesh layer through the API. Thus, when loading e.g. a GRIB file through a plugin layers are loaded without a style.
