Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	29523

Description

Trying to use the Download file processing algorithm for files on ftp sites causes an error:

"Download failed: No suitable proxy found"

Here is an example of a link to data that cannot be downloaded in this way:

ftp://ftp.ngs.noaa.gov/pub/DS_ARCHIVE/BETA_PRODUCTS/NC.zip
