

QGIS Application - Feature request #21853

Extending snap?

2019-04-15 06:56 PM - Andreas Olsson

Status: Closed	
Priority: Normal	
Assignee:	
Category: Digitising	
Pull Request or Patch supplied:	Resolution:
Easy fix?: No	Copied to github as #: 29668
Description	
I love QCAD but I miss the ability to snap by length and perpendicular. Who do I have to pay to make it happen?

| No, it's actually a part of QGIS.

qcad? ah ok, maybe it was a mistake and you meant qgis? :)

on the qgis site you'll find a page of companies offering commercial support (including development).
