QGIS Application - Feature request #2232
No warnings when open not existing dataset

2009-12-09 11:09 AM - Alexander Bruy

Status:	Closed		
Priority:	Low		
Assignee:	nobody -		
Category:	Data Provider		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	12292

Description

Testcase

1. Open "Add vector layer" dialog

2. Set "Source type" to directory and leave all other fields as is

3. Press "Open" button

Nothing happens - no layers added (yes, beacause we don't specify path) and no warning/error messages. IMHO this is not right.

History

#1 - 2009-12-09 01:40 PM - Jürgen Fischer

- Resolution set to fixed

- Status changed from Open to Closed

I applied an extended version of the patch in commit:80c1cf32 (SVN r12391). Thanks.
