

QGIS Application - Feature request #2277
fix for CopyrightLabel position

2009-12-13 12:38 PM - Steven Mizuno

Status:	Closed	Resolution: fixed Copied to github as #: 12337
Priority:	Low	
Assignee:	Tim Sutton	
Category:	C++ Plugins	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
<p>Here is a patch to fix a very minor problem with the positioning of the copyright on the map. When positioned at the bottom it is just at the edge rather than inset as it is at left, right and top.</p> <p>The offset was incorrectly calculated because of missing parentheses in the expression.</p> <p>Also, there is retrieval of font face and size from stored settings, but there is no place to set these in the copyright dialog, so I commented out those two lines, leaving them for possible future use. The application default font is used.</p>		

History

#1 - 2009-12-13 02:06 PM - Jürgen Fischer

- Resolution set to fixed
- Status changed from Open to Closed

applied in commit:8b0c041f (SVN r12442). Thanks.
