

QGIS Plugin Site - Feature request #23

Add an option "Create a bugtracker"

2011-03-08 11:46 PM - Paolo Cavallini

Status:	Open	
Priority:	Low	
Assignee:		
Category:		
Pull Request or Patch supplied:	No	
Description		
On uploading a plugin, the author should be presented with the option of automatically create a bugtracker instance for it. This could be compulsory, or at least strongly recommended.		

History

#1 - 2016-01-22 12:20 AM - Paolo Cavallini

- Pull Request or Patch supplied set to No

This is now compulsory, but not automatic.

#2 - 2016-01-22 12:21 AM - Paolo Cavallini

- Priority changed from High to Low
