

# QGIS Application - Feature request #2351

## v.dissolve returns "Item with key map not found"

2010-01-09 10:22 AM - Giovanni Manghi

<b>Status:</b> Closed	
<b>Priority:</b> Low	
<b>Assignee:</b> Lorenzo Masini	
<b>Category:</b> GRASS	
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b> fixed
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 12411
<b>Description</b>	
<p>I have now noticed that v.dissolve under windows (all versions) it returns</p> <p><i>Item with key map not found</i></p> <p>when the module opens.</p> <p>Tested with qgis trunk under both linux and windows with the same vector (<a href="http://www.istat.it/ambiente/cartografia/comuni2008.zip">http://www.istat.it/ambiente/cartografia/comuni2008.zip</a>). No problems with linux.</p> <p>This module used to work under windows until not long ago, giving a different issue under windows Seven, see #2028</p>

### History

#### #1 - 2010-02-05 07:18 AM - Giovanni Manghi

It is not only a windows issue, it does happen also under linux. Tested with qgis trunk and the sample dataset.

#### #2 - 2010-02-09 10:30 AM - Giovanni Manghi

patch attached

#### #3 - 2010-02-10 01:39 AM - Paolo Cavallini

- Resolution set to fixed

- Status changed from Open to Closed

Fixed in
