Revision 5fca89d7 - 2010-05-16 04:44 PM - Jürgen Fischer

[FEATURE]

- save edits button added (implements #2579)
- subset option to layer menu (implements #2660)
- show selected feature count in status bar (implements #2708)
- temporary workaround for #2714
- refactored redundant code from legend to qgisapp:  
attribute table, save as, layer removal, layer properties
- some more cleanups
