QGIS Application - Feature request #2722
New symbology : allow advanced outline modification in a polygon style

2010-05-15 08:41 AM - Jean-Roc Morreale

Status:	Closed		
Priority:	Low		
Assignee:	nobody -		
Category:	Symbology		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	12782

Description

It would be great if a change of outline could made to a polygon style.

For now you can only choose between a few styles, it should be possible to do the same than for the lines where you can add a personnalized point symbol :
- create a new line style
- create a polygon style
- add a new marker/simple/linedecoration

History

#1 - 2010-12-07 11:47 AM - Jean-Roc Morreale

- Resolution set to fixed

- Status changed from Open to Closed

fixed in commit:7e5d546f (SVN r14856), thx martin !
