History

#1 - 2010-06-12 07:42 AM - Paolo Cavallini

It should be the usual problem with paths.

#2 - 2010-06-14 04:06 AM - Giovanni Manghi

- *Resolution set to invalid*
- *Status changed from Open to Closed*

it is also a 3rd party plugin so in any case the problems need to be reported in the qgis-dev mailing list.
