

QGIS Application - Feature request #3086

Wish List - vector symbology improvement

2010-10-06 01:35 AM - espritoccz -

Status: Closed	
Priority: Low	
Assignee: Jürgen Fischer	
Category: Vectors	
Pull Request or Patch supplied:	Resolution: invalid
Easy fix?: No	Copied to github as #: 13146
Description	
<p>Hi.</p> <p>I need a possibility to change a colour ramp in point layer. If continuous ramp I can choose only between two colours - setting colour for minimal and maximal value. It would be much better to let have there three colours (from red through yellow to green, for example). Is it possible?</p> <p>Thank you</p>

yes, you can. Use the style manager, you can create ramps with intermediate color stops.
