Description

The list of donors has been replaced with the link: http://qgis.org/en/sponsorship/donors.html

So the formatting should be eidted accordingly. Best would be to change the Sposnsors tab into "Sponsors and donors", and:

- add a line "For a list of donors, see http://qgis.org/en/sponsorship/donors.html"
- put the line "Please consider sponsoring the development of [[QuantumGIS]].
  See: http://qgis.org/en/sponsorship.html" just after "QGIS sponsorship programme:contribute to QGIS development"
